Who was Anselm Keefe?
The Anselm Keefe Society was established in 1997 and named in honor of a revered member of the college’s faculty, the Rev. Anselm M. Keefe, O.Praem. His legacy is one of tireless hard work and commitment to the development of the St. Norbert College community.

An accomplished botanist, professor, dean, military chaplain, theatre director and priest, Father Keefe touched the lives of many in the name of St. Norbert College. His works not only enhanced the college in his lifetime, but strengthened it for future generations.

The purpose of the Anselm Keefe Society is to acknowledge those alumni and friends who have made a legacy gift to benefit the college. These generous individuals are a reflection of Father Keefe’s commitment to supporting the growth, development and long-term financial health of one of the nation’s finest Catholic liberal arts colleges.

The purpose of the Anselm Keefe Society is to recognize those friends and alumni who have included a legacy gift in their estate plans to benefit the College.
